EXPERIENCE

BLUE HORSESHOE – CARMEL, IN

May 2018 – August 2018 (Present: Using node.js with Angular 6, Bootstrap, C#, Asp.net, and other technologies)

MIDCONTINENT ISO (MISO ENERGY) – CARMEL, IN

May 2017 – August 2017

Worked on a support team, developing a dashboard application for monitoring different vital server spaces and environments using C#/.NET. The application checks past data records for any trends and uses them to provide feedback and alerts for live incoming data. Gave a presentation of work to company executives at the end of the internship.

LITTLETON STUDIOS, LLC – WEST LAFAYETTE, IN

January 2017 – Present

Co-founder of local, registered company. Development of mobile and web applications and other consulting services. Services to date include: development of a Greek life management app, creation and maintenance of a medical consulting website, digital marketing and ad campaigns for three companies, and assistance with proper marketing and digital strategy.

PYLE'S POOLS – INDIANAPOLIS, IN

May 2014 – August 2016 – Lifeguard Manager

MACKENZIE RIVER PIZZA _ INDIANAPOLIS, IN

January 2016 – August 2016 – Host
